

M.S. STAINLESS LUXEMBOURG S.A.

Special offer: *the butterfly valve with the "blue button"*

This type butterfly valve, *manufactured by the MSS Group*, widely used in the Food- and Allied Industry is fully exchangeable with the well known, already for decades implemented, DIN normalized butterfly valve with the "blue button"

M.S. Stainless Luxembourg SA supplies these butterfly valves from stock in DIN (DN25-DN150) and INCH sizes (1-4") as well in aisi 304L as in aisi 316L, executed with all usual seals. All valves are tested for pressure (minimum 10 Bar) and torque checked.

Are you interested or do you want to know more about the possibilities of the M.S. Stainless Group please contact without engagement ☎ 00352 950909 or sent your mail to ✉ luxembourg@msstainless.com

Best Regards,
M.S. Stainless Luxembourg SA
